

## Privacy Notice – Invoice Validation

Invoice validation is an important process in ensuring that your care is paid for correctly. It involves using your NHS number to check that the CCG that is responsible for paying for your treatment. We can also use your NHS number to check whether your care has been funded through specialist commissioning, which NHS England will pay for. NEL provides an invoice validation support service to our customers.

The process makes sure that the organisations providing your care are paid correctly. All information with NHS numbers collected to validate invoices is held within a secure, controlled environment for finance (CEfF) (within/on behalf of) the CCG. The use of personal data by CCGs for invoice validation has been approved by the Confidentiality Advisory Group of the Health Research Authority and is scheduled for review 30 September 2018. Further information regarding this can be found here: <https://www.hra.nhs.uk/planning-and-improving-research/application-summaries/confidentiality-advisory-group-registers/>
